

A Long Experience in Energy Equipment and one Goal:

The Customer's satisfaction.

Flanges and Special Forgings.

VALVITALIA GROUP

An innovative supplier to the oil, gas, power and water industries.

VALVITALIA is an Italian manufacturer of valves and other energy equipment.

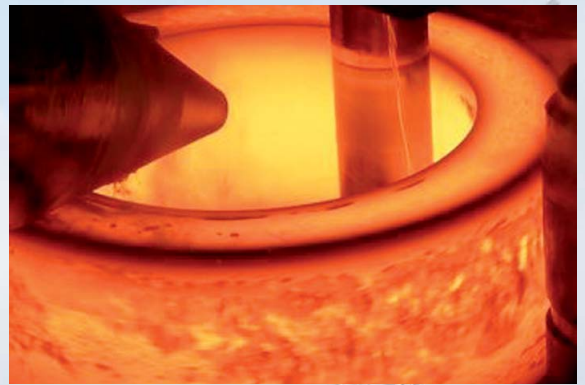

Italy historically, has been the Country with the largest number of manufacturers in this field and it has always provided excellent engineering services.

Long experienced management, quality, performance, availability of large inventory and full dedication to the customer's satisfaction differentiate VALVITALIA from the competition.

The Group can provide discrete products, complete packages and pre-assembled skids.

All this accompanied by attractive financing packages.

Unique supplier in the world to offer complete package of Flanges, Fittings, Valves, Actuators, Systems, Pressure Reducing and Metering Stations, Launching & Receiving Scraper Traps, Heat Exchangers.

MANUFACTURING PROGRAM

- Supply of all types of:

- Flanges
- Swivel Rings
- Spectacles
- Drip Rings
- Orifice Flanges
- Anchor Flanges
- Long Welding Neck
- Welding Nozzle
- Weldoflanges
- Nipoflanges

- In all types of materials:

- Carbon Steel
- Low Temperature
- High Yield Carbon
- Low Alloy Steel
- Superalloy Steel
- Duplex Superduplex
- Titanium

- In all dimensional standards up to 60"

- ASME B16.5
- ASME B16.47 Series A (MSS SP44)
- ASME B16.47 Series B (API605)
- BS 3293
- API 6A
- AWWA C 207 B-D-E-F

Design and Supply of: SPECIAL FLANGES, FORGINGS and RINGS UP TO 60"

MATERIAL GRADE

Carbon Steel	A105		
Low Temperature	A350 LF2	A350 LF3	A694F52
High Yield	A694 F60 A707L3	A694 F65 A707L5	A694 F70 LF6
Alloy Steel	A182 F1 A182 F11 cl 2	A182 F5 A182 F22 cl 3	A182 F9
Stainless Steel	F304L F316H F316UREA	F304H F316TI F321H	F316L F347H
Duplex Superduplex Zeron 100	F51 F53 F55		
SuperAlloys	F44 ALLOY20 ALLOY600	CUNI 9010 ALLOY800 ALLOY625	MONEL400 ALLOY825 HASTELLOY C276
Titanium	F2		

A Long Experience in Energy Equipment and one Goal:

The Customer's satisfaction.
